

# 26th International Specialized Forum "Glass and Modern Technologies-XXI"

*Scientific and Practical Conference  
December 11, 2025*

*Venue: International Industrial Academy (conference hall),  
Moscow, 1st Shchipkovsky Lane, Building 20, Serpukhovskaya metro station.*

***Forum Topic: "International Issues in Training Specialists for the Glass Industry in the Russian Federation and the CIS. Prospects for Improving Personnel Training and Retraining."***

**Organizer:**

- Association "StekloSouz" of Russia

**CHAIRMAN:**

- **Viktor I. Osipov**, PhD in Economics, President of the Association "StekloSouz" of Russia

**CO-CHAIRS:**

- **Rustam M. Ibragimov**, director of "Saratovteplomontazh" LLC
- **Innokenty M. Ivanov**, Director of "Solutions and Technologies in Energy" LLC
- **Lyudmila F. Korshunova**, Head of the Scientific and Technical Center of the SSR, Executive Director of Scientific and Technical Center "Steklo-Gaz" LLC
- **Anton P. Mor**, General Director of "Siberian Glass" LLC
- **Alexander Y. Smirnov**, General Director of "Expo Glass" LLC
- **Yuri A. Filchakov**, Director of the State Autonomous Professional Educational Institution of Higher Education "Gus Glass College" named after G.F. Chekhlov

**08:00 –10:00 – REGISTRATION OF CONFERENCE PARTICIPANTS**

**10:00 – GRAND OPENING OF THE CONFERENCE**

**❖ Welcoming speech to Forum participants:**

- ✓ **Sergey V. Kabyshev**, Deputy of the State Duma of the Federal Assembly of the Russian Federation, Chairman of the State Duma Committee on Science and Higher Education
- ✓ **Viktor I. Osipov**, PhD in Economics, President of the StekloSoyuz Association of Russia
- ✓ **Vladimir I. Padalko**, Vice President of the Russian Chamber of Commerce and Industry

**10:00-13:00 – MORNING PLENARY SESSION**

**Moderator:** **Viktor I. Osipov**, PhD in Economics, President of the Association "StekloSouz" of Russia

**REPORTS:**

<p><b>Viktor I. Osipov</b>, PhD in Economics, President of the StekloSoyuz Association of Russia, Moscow. Welcome to Forum participants. <i>Presentation topic: "The Current State of the Glass Industry. Real Ways to Efficient Production".</i></p>
<p><b>Yuri A. Filchakov</b>, Director of the G.F. Chekhlov Gus Glass College, Vladimir Region, Gus-Khrustalny. <i>Presentation Topic: "A Cluster Approach to Training for the Glass Industry".</i></p>
<p><b>Alexander Y. Smirnov</b>, General Director of Expo Glass LLC, Vladimir Region, Gus-Khrustalny District, Kurlovo. <i>Presentation Topic: "Recycling Fee. Challenges and Solutions in Collection and Processing".</i></p>
<p><b>Igor I. Teryushkov</b>, President of the Non-Profit Partnership "ECORECYCLING," Moscow. <i>Presentation Topic: "The Current State of Collection, Sorting, and Recycling of Glass Industry Products".</i></p>
<p><b>Tatyana V. Vlasova</b>, Director of the Central Service of the Russian Federation for the Development of Industrial Technologies, Chair of the Windows and Doors Subcommittee of the Technical Committee 465, Technical Committee 041 "Glass," Moscow. <i>Presentation Topic: "Development of Standards for the Safety Glazing of Residential and Public Buildings, Including Children's, Medical, Sports, and Health Facilities".</i></p>
<p><b>Stanislav A. Chesnokov</b>, Head of the Standardization and Testing Department, Glass Institute, Moscow. <i>Presentation Topic: "Safety Glazing: Modern Requirements, Production Technologies, and Application Prospects".</i></p>
<p><b>Konstantin A. Nagdasev</b>, Head of Special Projects, Fototech Company, Moscow. <i>Presentation Topic: "Safe and Protective Glazing – Current Challenges and Resources".</i></p>
<p><b>Andrey N. Lotsmanov</b>, Deputy Chairman of the RSPP Committee and Chairman of the Council for Technical Regulation and Standardization under the Ministry of Industry and Trade of the Russian Federation, Moscow. <i>Presentation Topic: "Technical Regulation as a Tool for Protecting the Interests of Industry in the EAEU and CIS Countries".</i></p>
<p><b>Tatyana B. Novikova</b>, director of SBO-Spetservice LLC, Moscow. <i>Topic of the report: "Presentation of the company SBO-Spetservice LLC".</i></p>
<p><b>Alexander D. Neustroev</b>, Chairman of the Energy Efficiency Technologies Committee of the Association "StekloSouz" of Russia, Moscow. <i>Presentation Topic: "The Energy Framework of the Glass Industry: From Challenges to Sustainable Development".</i></p>
<p><b>Alexander V. Antonov</b>, Leading Specialist, Non-Destructive Testing Department, Techknow JSC, St. Petersburg. <i>Presentation Topic: "Modern Systems for Non-Contact Temperature Measurement in the Glass Industry".</i></p>
<p><b>Sergey V. Filin</b>, Deputy General Director of the Scientific and Production Center "Steklo-Gaz" LLC, Vladimir Region, Gus-Khrustalny. <i>Presentation Topic: "Automated Process Control Systems for Glass and Basalt Production. Additional Electric Heating System (AES) in Glass Melting".</i></p>
<p><b>Evgeny O. Elizarov</b>, Leading Specialist, Microelectronic Technologies Plant, Izhevsk, Udmurt Republic. <i>Presentation Topic: "Russian Equipment for Quality Control of Glass Packaging. Catch Up and Surpass!".</i></p>
<p><b>Vadim O. Krasnogorov</b>, Head of New Product and Solution Development, ERGA LLC Representative at the Scientific and Technical Council of the Russian Electronic Equipment Company (REO), Kaluga. <i>Presentation Topic: "ERGA Solutions for Glass Production and Recycling".</i></p>
<p><b>Yuri K. Startsev</b>, Doctor of Physical and Mathematical Sciences, Professor, Corresponding Member of the Russian Academy of Natural Sciences, and Lecturer in the Physics and Chemistry Department at the A.A. Novikov Saint Petersburg State University of Civil Aviation, Saint Petersburg. <i>Presentation Topic: "The Development of Scientific and Technological Instrumentation as a Prerequisite for Expanding the Application Area of New Glasses of Various Compositions".</i></p>

**13:00-14:00 – Lunch break**

**14:00-17:00 – Evening Plenary Session**

**Moderator: Mikhail N. Pavlushkin, PhD, Vice President of the Association “StekloSouz“ of Russia**

**REPORTS:**

<p><b>Elena A. Vinokurova</b>, Head of Sales and Marketing, Quartzwerke Ulyanovsk LLC, Ulyanovsk. <b>Aleksey P. Zotov</b>, Strategic Marketing Manager, Quartzwerke Ulyanovsk LLC, Ulyanovsk. <i>Presentation Topic: "The Economic Benefit for Glass Factories from Using Sands with Optimized Granulometric and Chemical Composition".</i></p>
<p><b>Alexander I. Nepomnyashchikh</b>, Doctor of Physical and Mathematical Sciences, Professor, Chief Researcher, A.P. Vinogradov Institute of Geochemistry SB RAS (IGC SB RAS), Irkutsk. <i>Presentation Topic: "High-Purity Quartz Raw Materials of the Eastern Sayan".</i></p>
<p><b>Vladislav A. Vorontsov</b>, Head of Quality and New Product Development, Rus Minerals LLC, Moscow. <i>Presentation Topic: "Production of Quartz Sand Grade OOWS-010-V and Methods of Interlaboratory Quality Control of High-Purity Products".</i></p>
<p><b>Natalia S. Surenskaya</b>, Deputy Executive Director for Commercial Affairs, RIF-Micromarble LLC, Chelyabinsk Region, Kartalinsky District, Yelenina Village. <i>Presentation Topic: "Micromarble in Glass Production".</i></p>
<p><b>Ildar Z. Valiev</b>, Business Development Manager, Air Liquide LLC, Moscow. <i>Presentation Topic: "Air Liquide Technologies for Oxygen Enrichment of the Combustion Process in Glass Melting".</i></p>
<p><b>Ildar R. Ibragimov</b>, Director of Saratovteplomontazh LLC, Saratov. <i>Presentation Topic: "Current Issues of the Most Pressing Issues in the Repair and Operation of Glass Furnaces".</i></p>
<p><b>Egor Y. Sandler'sky</b>, Project Manager, OVL-Energo JSC, Moscow. <i>Presentation Topic: "In-Furnace Monitoring as a Tool for Improving the Operational Stability of Glass Furnaces".</i></p>
<p><b>Dmitry A. Serebryansky</b>, head of the Research Center “Ecology” LLC “NTC “Bakor”, Moscow, Shcherbinka. <i>Topic of the report: "Purification of gases from glass furnaces".</i></p>
<p><b>Anatoly A. Rusanov</b>, Deputy Head of Sales, DINUR JSC, Pervouralsk, Sverdlovsk Region. <i>Presentation Topic: "Spectrum of Silica Refractories for Glass Furnaces Manufactured by DINUR JSC".</i></p>
<p><b>Alexander Y. Kharyushin</b>, Development Manager, Erstvak LLC, Moscow. <i>Presentation Topic: "Vacuum and Compressed Air for the Glass Industry".</i></p>
<p><b>Yuri I. Bazhenov</b>, Head of Commercial Services, Meridian LLC, Perm. <i>Presentation Topic: "Domestic Mold Kits as the Foundation of the Russian Glass Industry".</i></p>
<p><b>Evgeny V. Ryzhov</b>, Technical Director, NNGC LLC, Nizhny Novgorod Region, Arzamas. <i>Presentation Topic: "Prospects for the Application of Nanodiamond Electroplated Coatings on Mold Sets, Punches, Matrices, Shears, and Hydraulics to Increase the Productivity of Glass Container and Glassware Production Lines".</i></p>
<p><b>Sergey P. Shevchenko</b>, General Director of Steklomashiny LLC, Yoshkar-Ola, Mari El Republic. <i>Presentation Topic: "Spherical Metallurgy Production in Russia: To Be or Not to Be".</i></p>
<p><b>Natalia G. Tyurnina</b>, PhD, Deputy Director for Advanced Research and Development, St. Petersburg Branch of the Kurchatov Institute National Research Center - PNPI-ICS, St. Petersburg. <i>Presentation Topic: "Results of the Roundtable on RIAs at the GlasSP2025 Conference".</i></p>
<p><b>Yulia N. Volodina</b>, Chair of the Commission on Financing Innovative Projects of the Taxonomy of Technological Sovereignty of the Chamber of Commerce and Industry of the Russian Federation, Head of a consulting company (GR support, management and strategic consulting), Moscow. <i>Presentation topic: "The Impact of Platform-Based Digital Solutions on the Development of Industrial Cooperation and Attracting Investment in Production Projects".</i></p>

**17:00-17:40 EXPERT DISCUSSION OF PARTICIPANTS. BUSINESS NEGOTIATIONS. DECISION-MAKING.**

**17:40 – 18:00 CEREMONY: issuance of certificates to new members of the Association, awarding of plant managers and specialists based on the results of the year, presentation of Diplomas to the winners of the industry competition.**

**18:00 – CLOSING OF THE FORUM.**

**18:30 FRIENDLY DINNER on Glass Industry Workers Day and New Year 2026 (*Admission by invitation*).**
